

Hunter's Glen Home Owners Association
Executive Committee Meeting Minutes – April 20, 2004

The Hunters Glen Home Owners Executive Committee met April 20, 2004, at 9:00 a.m. at the home of Chuck Gorsuch. Present were Chuck Gorsuch, Tom Shepherd, Brenta Poole, and Chuck Nordgren.

Chuck Gorsuch handed out copies of the newsletter and the agenda. He then went over the agenda for the annual meeting to be held May 6th at 7:00 p.m. at the Etowah BBQ Shack. Chuck will prepare a budget to be handed out. Brenta will read the minutes and will present the covenant changes. She will move that the amendments be approved by the association. Tom will go over information about the garage sale weekend. It was decided to present Dave Alperin a gift certificate to the Chinese restaurant in appreciation of all his work on the newsletter. Chuck Nordgren will get the certificate.

Chuck Nordgren suggested that we set the fiscal year as May 1 to April 30.

Brenta will write up the amendments showing the changes from the present covenants. She will also write an introduction to the changes. Because Tom's name is incorrect in the newsletter, that will also be corrected in the introduction to the changes. Chuck Gorsuch will get the document printed and he and Brenta will distribute it along with the newsletter.

Respectfully submitted,
Brenta Poole, Secretary
