**Subject:** Today's meeting

Hi all,

Thank you all so much for your willingness to step in when you are needed by our neighborhood. You are wonderful!

I just wanted to give you a summary of what we did this morning and our assignments.

The letter we composed is attached. Let me know if you have any additions or corrections. Don will put it in the newsletter, which we plan to put out early next week.

A blurb in the newsletter will remind people that signs other than 'For Sale' signs are not allowed in the neighborhood.

I think we should also put the results of the voting in the newsletter.

-- **Tom** will contact Herb Jensen, Way Plowman and Bonnie Arnold about positions on the board.

-- **Chuck** is going to contact people about work needed at the entrance.

-- **Brenta** will contact Sharon Williams to see if she will continue to write checks under Brenta's direction and to find out whether insurance was purchased.

She will also distribute the letter from Veach to the Cove, the minutes of the June 8th meeting and the copy of the budget to the ones who asked for them.

I think that is all.

Brenta
